Do you have the backup for the request? The amount & what the funds are for? I can start on the grant paperwork if I know the scope. Thanks.

Karen, after a discussion with Mr. Warheim, we can handle a payment to the Community Foundation on their behalf. The Community Foundation is a 501 c(3) & Warheim Park does have an account with them.

Karen – It appears we can't "pass" it through – but – let me suggest you contact Katie Chandler @ Olmsted Conservancy a 501 c(3) organization. MJH

We can't issue a grant, nor can we purchase the swing & turn it over. I turned down Steve Clark with a similar request last week.

I suggest that they find a 501 c(3) that would be willing to act as a go between. That is what Babs suggested last week in Senior Management. We were discussing the issue before the meeting started.

What is your opinion (or legal) on this request? MJH

Mike:

Would Parks be willing to administer to Warheim Park Foundation \$1200 from CM Tom Owen's neighborhood development fund for a capital project (funding of a swinging bench for a meditation garden)? Warheim Park is not a 501 c(3) or c(4) and thus we cannot administer the monies directly to them. If this is acceptable to Parks who would be the contact person in your business office to whom I can send the paperwork?
